Programme is designed to give an overview of educational, technological and commercial aspects of essential oils, fragrances & aromatherapy right from natural sources to application stage, including quality assessment, blending & processing technologies. This course will be beneficial for scientists/teachers, persons engaged in aromatic & medicinal plants activities, cosmetologists, aroma therapists, doctors, practitioners of alternative therapies, beauty experts and entrepreneurs want to enter this filed

### **About the organizer (FFDC, KANNUJ)**

FFDC is a Government of India autonomous body under Ministry of Micro, Small and Medium Enterprises, engaged in serving, promoting and developing the Indian MSME and the associated farmers in the field of Essential oils, fragrances & flavours. The major activities of the centre include cultivation, processing, quality

assessment & standardization of aromatic plants, development of fragrances & flavours and training on all aspects of Essential oils, fragrances & flavours

### **About the IWST, Bangalore (Venue for programme)**

Initially established in 1938 as a Forest Research Laboratory by the erstwhile state of Mysore and later in 1956 taken over by the Govt. of India and made a Regional Research Centre of the FRI and Colleges, Dehra Dun, the IWST was declared, in April 1988, an independent Institute under the ICFRE. Institute of Wood Science and Technology, Bangalore, caters to the

research needs of the states of Karnataka, Andhra Pradesh, Goa and Daman and Diu. The Institute maintains three field stations for forestry research in Karnataka state, and two outstation marine centre's at Vishakhapatnam and Cochin.

**LODGING & BOARDING:-**Centre will provide only working lunch and tea/coffee with cookies during the training cum workshop. Participant will have to arrange the stay on their own expenditure.

### **Registration and Fee :-**

Rs. 8,500/- (Eight thousand five hundred only ) as a demand draft/cheque in favour of Principal Director, Fragrance & Flavour Development Centre, payable at Kannauj (Banks Name-SBI, BOI, Central Bank, ICICI, Axis, HDFC, PNB, Syndicate, BOB, Canera, Union Bank). The fee includes training kit containing Manual, pen, pad & day boarding.

**How to reach IWST, Bangalore:** Bangalore is well connected with road/rail to all parts of the country and can easily be traveled in a bus/rail or taxi from almost anywhere. Taxi service is available from all the nearby places.

**Weather at Bangalore:-** The city of Bangalore experiences a very favorable weather throughout the year. The city is located in the Deccan plateau of southern peninsular India and is situated at a height of 949 meters above the sea level. The warmest month in Bangalore is April and the coldest month is January. The climate in Bangalore is basically dry tropical savanna climate.
