ABOUT OURSELVES

Fragrance & Flavour Development Centre (FFDC) has been set-up in the year 1991 by Government of India (MSME-DO) with the assistance of UNDP / UNIDO and Government of Uttar Pradesh. It's a unique center where everything right from cultivation to development of fragrance & flavour is available under one roof. The main objective of the center is to serve, sustain & upgrade the status of related industry & allied farmers engaged in the aromatic crop cultivation, processing, value addition, quality assessment, creation of fragrance and flavour and its application so as to make them competitive both in local and global market by providing them state of the art technology, serving and training

INFRASTRUCTURAL FACILITIES

- Quality Assessment Laboratory (NABL Accredited and equipped with modern sophisticated equipment's like Gas Chromatography, U.V. FTIR, HPLC & GC-MS).
- Pilot plant (Steam Distillation, Solvent Extraction, Reaction Unit, Fractionation etc.) for extraction and processing of essential oils and aroma chemicals.
- Green Campus enriched with aromatic crops and flowers.
- Fragrance and Flavour creation laboratory along with application development facilities.
- Field Distillation Units.
- Aromatic garden and farmland of 15.5 acre.
- Library with relevant books and journals.
- Guest House/International hostel and Wi-Fi Facilities

Mission of FFDC

- To generate and apply scientific knowledge in the area of essential oil, fragrance & flavour and systematic utilization of the natural resources.
- To add value and utility to agro resources through research and development.
- To assist and promote the growth of essential oil, fragrance & flavour industry through innovative development in essential oils technology for value edition and state of art technical services

Training/Class Room Facilities

- Air condition training /lecture hall.
- Well-equipped audio-visual system.
- Network of experts from industries and research organization.
- Internationally trained staff and visiting experts from Industry /R&D organization.
- Availability of local industry /farm visits
- Wi-Fi Technical Area
