

Fragrance & Flavour Development Centre Kannauj

Compendium of Best Practices adopted by the centre

1. Certification of Laboratory (NABL) & (EIC):

Centre has got the National Accreditation Board for Testing and Calibration Laboratories (NABL) and Export Inspection Council (EIC) certification for analysis of essential oil, fragrance, flavour & aroma chemicals. This enhances more industry/customers confidence in FFDC laboratory for testing which increase more revenue.

2. Technology Development for the Industry:

The traditional attar industry were helped by improving the design of furnace (traditional) thereby enhancing fuel to save up to 48% which was normally wood/coal.

3. Replacement of Single Use Plastic:

During the training programmes, meetings, single use plastic (bottle) were replaced by metal bottle/paper glasses etc. which benefits the minimum waste within the campus.
