### DISCOVER THE CAPTIVATING SCENT OF *CYPRIOIOL*

Originally brought to you by the pioneer distillers and award winning House of **JAGAT in 1944**. The exotic essential oil is extracted from the roots of the *Cyperus scariosus* plant. **For nearly eight decades**, we have been perfecting the process to bring you this luxurious scent, enhanced by intriguing orris-like and woody notes with undertones of Sandalwood and Vetiver.

JAGAT's commitment to sustainability ensures that our ingredients are ethically and responsibly sourced, so you can enjoy the most authentic and pure oils possible.

**But that's not all - the House of JAGAT specializes in a range of natural essential oils, floral absolutes, carrier oils, hydrolates, and Indian Attars.**

***CYPRIOIOL*** is a versatile ingredient that is perfect for perfumers and aromatherapists and can be used in a range of skincare and beauty products.
